

Horn of Plenty

James Newton Howard

Oh Horn of Plenty.
Oh Horn of Plenty for us all!
And when you raise the cry
The brave shall heed the call
And we shall never falter.

One Horn of Plenty for us all!
Oh Horn of Plenty.
Oh Horn of Plenty for us all!
And when we raise the cry
The brave shall heed the call
And we shall never fall...

Oh Horn of Plenty.
Oh Horn of Plenty for us all!
And when we raise the cry
The brave shall heed the call
And we shall never falter.
One Horn of Plenty for us all!

Though dark may fall
Through darkness light will shine
As they believe
The darkness is the light
One Horn of Plenty for us all!
