

## Damn Right

James Otto

You can always find me here  
Raisin' hell and drinkin' beer  
With all my good-time buddies  
Cuttin' up and havin' fun  
Yeah the jokes can be on me  
And I don't mind usually  
I'm an easy-goin', back-slappin' son of a gun  
But she just left me  
And that's just left me undone  
So you don't want to push your luck boys, not tonight  
Just don't bring up her name one more time

If you think I'm in the mood to pick a fight  
You're damn right

She's gone and I admit I was wrong  
But I can't quit  
Thinkin' about how good our love used to be  
And the whiskey numbs the pain  
But in the morning when I wake  
I'll be hungover hangin' on to a memory  
And I'll order one more round  
Lose the Coke and keep the Crown  
And just drown my misery  
And I'll blind myself with liquor and neon lights  
Alone and stoned out of my mind

If you think I'm flyin' high as a kite  
You're damn right

Now I'm just tryin' to make it through  
But gettin' over you is a long, long road  
And I'm a strong man, but it's killin' me  
Lettin' go  
And I'd love to say it ain't, but I can't lie  
Yeah pretend that I got somethin' in my eyes

If you think I'm gonna break down and cry  
You're damn right

You're damn right
