

# Somewhere Tonight

James Otto

Been waiting all week for the weekend  
There's a buzz in the air, don't you feel it  
A kiss on your lip, wanna steal it  
(Oh, oh, oh, oh, oh, oh)

Come on pretty baby, don't you say no  
How we gonna fly off, if we lay low  
We don't know what we're missing if we don't go  
(Oh, oh, oh, oh, oh, oh)

Somewhere tonight  
Music's playing  
Bonfire's blazing like a Vegas sky  
Somewhere tonight  
Dancefloor's rocking  
No sign of stopping till the morning light  
Somewhere tonight

(Woah-oh-oh-oh)  
(Woah-oh-oh-oh)  
Let's go  
(Woah-oh-oh-oh)  
Somewhere tonight  
(Woah-oh-oh-oh)  
(Woah-oh-oh-oh)  
Let's go  
(Woah-oh-oh-oh)  
Somewhere tonight

Girl I'm the gas you're the matches  
Let's fire up a little bit of magic  
Don't you wanna see what's happening  
(Happening, what's happening)

Somewhere tonight  
Music's playing  
Bonfire's blazing like a Vegas sky  
Somewhere tonight  
Dancefloor's rocking  
No sign of stopping till the morning light  
Somewhere tonight

(Woah-oh-oh-oh)  
(Woah-oh-oh-oh)  
Let's go  
(Woah-oh-oh-oh)  
Somewhere tonight  
(Woah-oh-oh-oh)  
(Woah-oh-oh-oh)  
Let's go  
(Woah-oh-oh-oh)  
Somewhere tonight

Anywhere you wanna go  
Any place you wanna be  
Don't give a damn what we do  
If it's you and me

Anywhere you wanna go  
Any place you wanna be  
Don't give a damn what we do  
As long it's you and me  
Somewhere tonight  
Somewhere tonight

Somewhere tonight  
Music's playing  
Bonfire's blazing like a Vegas sky  
Somewhere tonight  
Dancefloor's rocking  
No sign of stopping till the morning light  
Somewhere tonight

(Woah-oh-oh-oh)  
(Woah-oh-oh-oh)  
Let's go  
(Woah-oh-oh-oh)  
Somewhere tonight  
(Woah-oh-oh-oh)  
(Woah-oh-oh-oh)  
Let's go  
(Woah-oh-oh-oh)  
Somewhere tonight
