

Halos mahilo nu'ng unang magkita
Tried to say "Hi" pero pumipilipit ang dila
Naku yari na-a-ah tagilid na ba 'ko?
Kumpyansa'y madaling naglaho

Matang parang chocolate, can't get enough of it
Labing parang lollipop, I want a taste of it
Buhok na parang model, galing sa magazine
Let me count the ways I want ya

Give me one shot to find a way to your heart
'Coz the two of us together would be off of the charts
Don't need 3, 4, 5, 6, 7 other girls
'Coz baby you're a 10, you're a 10, you're a 10

Walang masabi 'pag tumitingin ka
At tila lumalabo'ng aking mata
Sisikapin kong ika'y mapasaakin
Sa'yo ay walang maihahambing

Matang parang chocolate, can't get enough of it
Labing parang lollipop, I want a taste of it
Buhok na parang model, galing sa magazine
Let me count the ways I want ya

Give me one shot to find a way to your heart
'Coz the two of us together would be off of the charts
Don't need 3, 4, 5, 6, 7 other girls
'Coz baby you're a 10, 10, 10, 10

When a guy treats his girl like a queen, that's a good look
Know what he got, keep it hot, that's a good look
Don't need another chick 'coz he got a good look
One honey man, honey that's a good look
He know the math, yeah shorty is a 10
You can break it down, any style, it's just me and him
And if another girl dare to try and step
Haha, nah-uh come again

Matang parang chocolate, can't get enough of it
Labing parang lollipop, I want a taste of it
Buhok na parang model, galing sa magazine
Let me count the ways that I want ya

Give me one shot to find a way to your heart
'Coz the two of us together would be off of the charts
Don't need 3, 4, 5, 6, 7 other girls
'Coz baby you're a 10, 10, 10, 10

Give me one shot to find a way to your heart
'Coz the two of us together would be off of the charts
Don't need 3, 4, 5, 6, 7 other girls
'Coz baby you're a 10, 10, 10, 10
