

bring me back

James Reid

I feel it in the air tonight
(Ooooh, ooooh baby)
Nobody compares to you
Say you'll never leave
Never leave

Now I want you all time
(Ooooh, ooooh baby)
Cause nobody compares to you
Say you'll never leave
Never leave

Dead inside until you found me
You gave me air when I was drowning
Now I need you all around me
You, you, you

Bring me back to life
Oh baby you showed me
How to be alive
And the way that you know me
Feels like paradise
When you're in my arms
When we're in your bed
When I thought there was nothing left to find
Hey, you bring me back to life
You bring me right back

Thought I had to sacrifice
(Ooooh, ooooh baby)
This kind of touch I've never known
It's all I ever want to know

Cause loving you's the highest high
(Ooooh baby)
Don't you ever let me go
Don't you ever let me go, no

Dead inside until you found me
You gave me air when I was drowning
Now I need you all around me
You, you, you

Bring me back to life
Oh baby you showed me
How to be alive
And the way that you know me
Feels like paradise
When you're in my arms
When we're in your bed
When I thought there was nothing left to find
Hey, you bring me back to life
You bring me right back

Right back, right back
You bring me right back
Right back, right back

You bring me back to life

Oh baby you showed me

How to be alive

And the way that you know me

You bring me back to life
