

Hello

James Reid

I'm jealous of the cigarette in your pocket
It's closer than I've ever been to your heartbeat
My heads in the clouds thinking you should join me
So don't think twice
Could be everything that you wanted

So I could see this start with a hello
Hop skip to the bed, don't let go
Going from a zero to 100
You could be my future ex lover
Hello
I can't wait to say
Hello
Hop skip to the bed, don't let go
Going from a zero to 100
You could be my future ex lover
Hello
I can't wait to say

Hello hello hello
Hello hello hello
I can't wait to say
Hello hello hello
Hello hello hello
I can't wait to say

Come on over I'll be showing you something brand new
Before you know it we'll be spelling our names in tattoos
Are we going to fight because I'm doing them things that men do
Aw, but its alright
After everything that we been through

Hop skip to the bed, don't let go
Going from a zero to 100
You could be my future ex lover
Hello
I can't wait to say
Hello
Hop skip to the bed, don't let go
Going from a zero to 100
You could be my future ex lover
Hello
I can't wait to say

Hello hello hello
Hello hello hello
I can't wait to say
Hello hello hello
Hello hello hello
I can't wait to say

Can't wait to say it
I can't wait to say it
Can't wait to say it

Cause I could see this start with a hello
Hop skip to the bed, don't let go

Going from a zero to 100
You could be my future ex lover
Hello
I can't wait to say
Hello
Hop skip to the bed, don't let go
Going from a zero to 100
You could be my future ex lover hello
I can't wait to say
