Jacuzzi

James Reid

If your body could tell me
Let your story be told
Anything you want
Champagne in the Jacuzzi oh
We won't go slow
Come on, let's go

Pull you close under pale moon light
Don't forget the emotion baby
In our own heated paradise
Gonna make it last all night, last all night (Woo)

Tu-tu, tu-tu, tu-tu, tu
Jacuzzi
Tu-tu, tu-tu, tu-tu, tu (Bounce)
Tu-tu, tu-tu, tu-tu, tu
Jacuzzi
Tu-tu, tu-tu, tu-tu, tu
All night
Last all night

Call up Katy and Jenny
Body's drippin' in Chrome
Tell 'em hurry up
Got one hand on the Henny, oh
We won't go slow
Pour up some more

Goin hard under pale moonlight
Take a swim in your ocean baby (Oh, baby)
In our own heated paradise
Gonna make it last all night, last all night (Yeah, oh)
