

# lie to me

James Reid

You been overseas  
I been overworking  
Quiet on the phone  
Got me feeling nervous  
Girl I can read your mind

Didn't bring it up  
Didn't wanna know  
If you wanna break  
Can we break it slow?

There's something different in the way you move  
Your body tells the truth  
Ooh I'm scared to lose you  
If we're at the end of the line  
Just

Lie to me  
Promise that you'll handle my heart carefully  
When you're walking away  
Baby girl  
Cry for me  
Even if the tears that fall are make believe  
I want you to lie to me  
Oh, lie to me

Blowin up my phone actin like you want me  
Hear it in your tone that you're feelin sorry  
Guilty and it shows, better watch your words  
I don't wanna know, that'll make it worse

If you wanna talk, just say what I want, baby  
Stay with me tonight, make it feel alright, baby  
Drink, take a sip, when I picture you gone  
And I don't wanna go down that road

Cuz I've been here too many times  
So come and make my night  
I know that it's not right  
I just want you to

Lie to me  
Promise that you'll handle my heart carefully  
When you're walking away  
Baby girl  
Cry for me  
Even if the tears that fall are make believe  
I want you to lie to me  
Oh, lie to me

La la lie to me, la la lie to me  
Cry ah cry for me, cry ah cry for me

La la lie to me, la la lie to me  
Cry ah cry for me, cry ah cry for me

I just want you to lie to me

Promise that you'll handle my heart carefully  
When you're walking away  
Baby girl  
Cry for me  
Even if the tears that fall are make believe  
I want you to lie to me  
Oh, lie to me
