

On Top

James Reid

I just want you on top of me
If you just take off your clothes
I'll be the best you've ever known
I just want you on top of me
I'll show you what you're missin'
If you go down and start kissin'

Hey girl
Get on it
Let go
Just own it
Back it up, back it up
Back it up, bring it low, girl
Wind it up, wind it up
Wind it up and let me controlla

I love the way you bend
Girl, you should start a trend
I know you are a freak
Don't worry, I won't tell your friends
Just do one thing for me
Stop being such a tease
Go 'n put your love on me
Go on, girl, put your love on me

I just want you on top of me
If you just take off your clothes
I'll be the best you've ever known
I just want you on top of me
I'll show you what you're missin'
If you go down and start kissin'

This right here
Got what you need right here
Girl, come to me right here
Let you know
We could do what you want
I could speed up, go slow
I won't stop
She like to be on top
She want to be my boss
You so bad
You should make use of that
Girl, you so bad
But you already knew all that

I love the way you bend
Girl, you should start a trend
I know you are a freak
Don't worry, I won't tell your friends
Just do one thing for me
Stop being such a tease
Go 'n put your love on me
Go on, girl, put your love on me

I just want you on top of me
If you just take off your clothes

I'll be the best you've ever known
I just want you on top of me
I'll show you what you're missin'
If you go down and start kissin'

You rappers make me sick
Oh my god, I said it
I swear that she can get it
Any time I'm ready
You can tell by my teeth, I got money
Throw in the air, make it rain when it's sunny
Girl, you gon' hop on that dick like a bunny
Screaming like a Kanye track (uh huh honey)
KINGWAW spread the lesson
Your girlfriend cheatin' that's a blessin'
I swear to God you don't need her anyway
When B walk in she gon' leave you anyway
Karma to the women doing wrong
She gon' hate it when she hear this type of song
Yeah yeah

I just want you on top of me
If you just take off your clothes
I'll be the best you've ever known
I just want you on top of me
I'll show you what you're missin'
If you go down and start kissin'

Yeah
