

Your Boy

James Reid

I don't feel your love anymore
I'm torn
I still need you in my life
But we don't talk anymore
Just war
But I'm not tryna fight you anymore
Anymore

I don't wanna hurt anymore
I'm sore
Where our friendship used to be
And I don't really know anymore
If you love me

I guess you caught me on a bad day
Think I'm feeling sad or something
But you never notice that
So now you think I'm mad for nothing

Now I'm standing at your door
And my heart is on the floor
I can't take it anymore
But I still try

I don't feel your love anymore
I'm torn
I still need you in my life
But we don't talk anymore
Just war
But I'm not tryna fight you anymore
Anymore

If you hear me through the noise
Of all the things we've said
Don't ever forget
I'll always be your boy
I'm still your boy
Still your boy

You could never hold your tongue
Unless the fight is won
What's your problem
I know I get in your face
That's just the way I was raised
That's you're problem

Now I'm standing at your door
And my heart is on the floor
I can't take it anymore
But I still try

I don't feel your love anymore
I'm torn
I still need you in my life
But we don't talk anymore
Just war
But I'm not tryna fight you anymore

Anymore

If you hear me through the void
Of all the things unsaid
Don't ever forget
I'll always be your boy
I'm still your boy
Still your boy

There's one last thing you should know
I love you
Just in case I don't see you anymore
