

## Burning Wood

James Reyne

All these houses in a line  
Saying hey good morning so fine  
Singing oh security so good

Sticks and stones and tombs of burning wood  
Sticks and stones and tombs of burning wood

Now that's a fire a big bonfire  
A big 3 story mansion it's a smoldering pyre  
He loves her it clicks  
When I ski I jump for women's tricks

Snug interior the hand of God  
So much dirty laundry in their backyard  
Oh, possessions if you could

Sticks and stones and tombs of burning wood  
Sticks and stones and tombs of burning wood  
Sticks and stones and tombs of burning wood
