

## 10K Hours

James TW

Every now and then  
I wonder why I spend  
time following the crowd  
They say time's valuable  
so we spend it in school  
cause they tell us that's how  
You build your career  
like we're the ones who steer  
but I'm wasting my days  
I'd rather get a head start  
and listen to my heart  
but I'm afraid I've changed

And I know I'm not the only one  
feels like they're not  
where they belong  
Waiting to make the world my stage  
but I can't cause of my age  
It's time to put the books away

I don't wanna stay in school  
cause I'd be better off  
putting in ten thousand hours  
doing what I love  
No, I don't wanna stay in school  
cause I'd be better off  
putting in ten thousand hours  
doing what I love

Oh and if I stay  
what difference will I make?  
It's a shame to grease  
then take a couple days  
All the time I've lost  
saying myself I'm not  
Sitting, wondering  
what's the opportunity cost  
If I left  
what if I fall off track  
People telling me make sure you got a full back  
It's a risk  
that I'm willing to take  
It could be the best mistake  
that I ever made

And I know I'm not the only one  
feels like they're not  
where they belong  
Waiting to make the world my stage  
but I can't cause of my age  
It's time to put the books away

I don't wanna stay in school  
cause I'd be better off  
putting in ten thousand hours  
doing what I love  
No, I don't wanna stay in school

cause I'd be better off  
putting in ten thousand hours  
doing what I love

I don't wanna stay in school  
cause I'd be better off  
putting in ten thousand hours  
doing what I love  
No, I don't wanna stay in school  
cause I'd be better off  
putting in ten thousand hours  
doing what I love

I don't wanna stay in school  
cause I'd be better off (be better off)  
putting in ten thousand hours  
doing what I love (doing what I love, oh)  
No, I don't wanna stay in school  
cause I'd be better off (I don't wanna stay)  
putting in ten thousand hours  
doing what I love (doing what I love)  
putting in ten thousand hours  
doing what I love (do what I love)  
putting in ten thousand hours  
doing what I love (I'd be doing what I adore)  
putting in ten thousand hours  
doing what I love (yeah yeah)  
putting in ten thousand hours  
doing what I love
