

# For You

James TW

Don't recognize my reflection lately  
Friends telling me that they're tryna save me  
They keep coming 'round and telling me all the ways I'm changing  
But maybe I need it, is that so crazy?

Got me opening doors when I didn't before  
Feel my glass was half empty but not anymore  
Used to love flying solo but now I'm not sure  
'Cause now, when I'm doing my thing  
I know who I'm doing it for

'Cause if I'm fighting, I'm fighting for you  
And if I'm calling, I'm calling for you  
Girl, if I'm dying, I'm dying for you  
Because I've fallen, I've fallen for you

Ooh-oooh, I'm falling for you  
Ooh-oooh, I'm falling for you

No, I really never was the type for staying in  
I've been giggling every night, man no debating  
With Netflix in bed, it's honestly sounding so amazing  
Just you and me, is that so crazy?

Got me opening doors when I didn't before  
Feel my glass was half empty but not anymore  
Used to love flying solo but now I'm not sure  
'Cause now, when I'm doing my thing  
I know who I'm doing it for

'Cause if I'm fighting, I'm fighting for you  
And if I'm calling, I'm calling for you  
Girl, if I'm dying, I'm dying for you  
Because I've fallen, I've fallen for you

Ooh-oooh, I'm falling for you  
Ooh-oooh, I'm falling for you  
Ooh-oooh, I'm falling for you  
Ooh-oooh, I'm falling for you

Tell me, that we're giving it a try or we'll never know  
We don't have to move fast, we can take it slow  
I won't let myself in, just gotta say where and when  
I'll be there by your side, side, side

Ohh  
Said, I'm falling for you  
Oh, don't you know  
I'm falling, I'm falling, I'm falling for you  
Don't you know, don't you know  
That I'm falling, I'm falling, I'm falling for you  
Said, I'm falling, falling, I'm falling for you
