Heartbeat Changes

James TW

I've never seen all the city lights
In the reflection in your eyes
They look like stars in a hazel sky, so bright

You wanna walk home from Waterloo
Down cobbled streets, candle avenues
Go anywhere that you want me to, tonight

'Cause I forget about time
Forget about all the rest of the world
Only when you're here

Oh, it's crazy how my heartbeat changes
When I'm with you, when I'm with you, when I'm with you
Oh it's amazing how the drums start playing
When I'm with you, when I'm with you, when I'm with you

People walk by in silhouette
It's like I don't even notice them
Tell me how you make everyone disappear

And every moment's a movie scene
When you're standing in front of me
I close my eyes cause I can't believe I'm yours

'Cause I forget about time
Forget about all the rest of the world
Only when you're here

Oh, it's crazy how my heartbeat changes
When I'm with you, when I'm with you, when I'm with you
Oh it's amazing how the drums start playing
When I'm with you, when I'm with you, when I'm with you

Sha la-la, la-la-la, la-la
Sha la-la, la-la, la-la
Sha la-la-le-la, la-la-la-la

Sha la-la, la-la-la, la-la
Sha la-la, la-la, la-la
Sha la-la-le-la, la-la-la-la

Oh, it's crazy how my heartbeat changes
When I'm with you, when I'm with you, when I'm with you
