

# Hopeless Romantics

James TW

Don't hold your breath  
I don't think we got much time left  
We tried our best  
Maybe now we lay this to rest

The hope we had  
Has fallen through our hands like sand  
Do you ever think we had a chance?  
Now I see it when I'm looking back

We were hopeless romantics  
How did this happen?  
Baby, our love was beautiful, now it's tragic  
We were hopeless romantics  
But I can't imagine  
Falling in love with anybody else, anybody else

One last time  
I wanna feel your skin touching mine  
When we say goodbye  
I don't wanna see you cry or put up a fight  
All I ask  
Is you remember all the times we had  
Hope the memories they make you laugh  
And you see it when you're looking back

We were hopeless romantics  
How did this happen?  
Baby, our love was beautiful, now it's tragic  
We were hopeless romantics  
But I can't imagine  
Falling in love with anybody else, anybody else

We put our all in  
But now we're falling  
We didn't know when to call it  
Now we're touching down  
Put out all in  
But now we've fallen  
It all makes sense to me now

We were hopeless romantics  
How did this happen?  
Baby, our love was beautiful, now it's tragic  
We were hopeless romantics  
And I can't imagine  
You falling in love with anybody else

We were hopeless romantics  
How did this happen?  
Baby, our love was beautiful, now it's tragic  
We were hopeless romantics  
And I can't imagine  
Falling in love with anybody else

Don't hold your breath  
I don't think we got much time left
