Hey. It's me
I know you're probably at work and you can't speak
But I was thinking about you
I'm always thinking about you

But hey, can I see you again?
I know you only left this morning 7 AM
Time spent here without you
Goes so slowly without you

Stop if I've said it before but I wanted to say

I don't know who am I
Or who I'm meant to be
All I have questions with
No answers when you leave

Don't know what I believe
Or why I'm even here
But I know when I see you
The questions disappear

Hey
It's me
I'm sorry I missed your call I don't want you to think
That I'm not thinking about you
I'm always thinking about you

'Cause all that time that we spent in bed
Made all those questions in my head disappear
They all come back the second you're not here

I don't know who am I
Or who I'm meant to be
All I have questions with
No answers when you leave

Don't know what I believe
Or why I'm even here
But I know when I see you
The questions disappear

Oh, oh
When I see you the questions disappear
Oh, oh

Hey
It's me
I'd love to see you again if you wanna see me
Can't stop thinking about you
Can't stop thinking about you
