

Rose Tinted Glasses

James TW

We still talk a little
Just tryna be civil
Now we're not official
It's weird to talk again
It's crazy how time flies
September to July
Remember the good times
A little differently

Oh maybe it wasn't all we thought it was
And the whole time we were looking through

Rose tinted glasses
We were blinded by our love
Thinking we were happy
Even when we're at our worst
But now I'm looking back
Over everything we had
Without rose tinted glasses
I can see why we weren't meant to be

We'd bury our problems
Watch TV in silence
Say you're right even when
I didn't feel that way
Hid our flaws from our friends
Thought they couldn't see them
Swear I should of listened
When they tried to help

Oh maybe we weren't all that we thought we were
And the whole time we were looking through

Rose tinted glasses
We were blinded by our love
Thinking we were happy
Even when we're at our worst
But now I'm looking back
Over everything we had
Without rose tinted glasses
I can see why we weren't meant to be

Ooh, ooh
See why we weren't meant to be
Ooh, ooh
See why we weren't

I can't help but thinking (I can't help thinking)
We both knew inside (somewhere inside)
That something was missing (how'd we miss it)
Maybe that's why

We wore rose tinted glasses
So we were blinded by our love
Thinking we were happy
Even when we're at our worst
But now I'm looking back

Over everything we had
Without rose tinted glasses
I can see why we weren't meant to be

Ooh, ooh
See why we weren't meant to be
Ooh, yeah yeah
See why we weren't meant to be
