

# You & Me

James TW

I didn't mean to hurt you  
So why'd I let you walk out the door  
You said that you don't know me  
You don't know who I am anymore  
But if you knew the truth then  
Then you wouldn't feel insecure  
'Cause if I didn't have you  
I wouldn't have nothing at all  
I wish you could see yourself through my eyes  
I always forget that you can't read my mind

As long as I got you and me  
Moving through this world as a two man team  
I'll always have everything I need  
You don't even realize, what you mean  
No one can fall for you quite like me  
No one can get me so perfectly  
You don't even realize (Ooh)  
You're all that I need 'cause I want  
You and me, you and me

I know one day we'll look back  
Stories on the tip of our tongues  
A library full of pages  
Remembering when we fell in love  
All of the broken hearts and the stupid mistakes  
Have got us to where we are, it was worth all the pain  
Yeah we'll look back, we'll look back and laugh

As long as I got you and me  
Moving through this world as a two man team  
I'll always have everything I need  
You don't even realize, what you mean  
No one can fall for you quite like me  
No one can get me so perfectly  
You don't even realize (Ooh)  
You're all that I need 'cause I want

You, you, you and me, me, me together  
Oh I want you, you, you and me, me, me forever  
You and me, you and me  
You and me, you and me  
You and me, you and me  
You and me, you and me

As long as I got you and me  
Moving through this world as a two man team  
I'll always have everything I need  
You don't even realize, what you mean  
No one can fall for you quite like me  
No one can get me so perfectly  
You don't even realize  
You're all that I need 'cause I want

You, you, you and me, me, me together  
You and me, you and me  
Oh I want you, you, you and me, me, me forever

You and me, you and me
