

Things we tell ourselves

James Vincent McMorrow

I've been thinking about
How much I miss you around
If you come back
I'll never let you down, no, no

And I've been thinking about
How much I miss you around
If you come back
I'll never let you down
If you come back
If you're coming back now

Somebody told me that I wouldn't have long to wait
And somebody told me I could be who I want to be
But I don't know, I don't know
I gave it time, they never showed
I don't know, I don't know
I'll pick it up fast and let it down slow

'Cause I've been thinking about
How much I miss you around
If you come back
I'll never let you down, no, no

I've been thinking about
How much I miss you around
If you come back
I'll never let you down
If you come back
If you're coming back now

'Cause somebody told me that I wouldn't have long to wait
And somebody told me I could be who I want to be
But I don't know, I don't know
I gave it time, they never showed
I don't know, I don't know
I'll pick it up fast and let it down slowly

I've been thinking about
How much I miss you around
If you come back
I'll never let you down, no, no

I've been thinking about
How much I miss you around
If you come back
I'll never let you down
If you come back
If you're coming back now

If you're coming back now

'Cause I've been thinking about
How much I miss you around
If you come back
I'll never let you down, no, no
