

# Make It Alright

James

You're so thin  
What you've been eating  
It's alive  
It's alive

You're so thin  
Something's eaten it's way in  
You can't hide, you can't hide  
It's alive

I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright

Change your skin  
Who you gonna be next time?  
Which disguise  
Which disguise do you recognise?

Think you know just who you are  
Well I got news for you  
Baby, you don't exist  
So many faces queuing up in the sight of you  
Maybe it's stick or twist  
All of this confusion can be put on the fire  
Invitations out for the wake  
Heard enough of decent people running this world  
Baby, everything is fake

I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright  
I, I'll make you alright
