

Shadow Of A Giant

James

Where did this start
Where did this start
We got lost in shocks in stages
You were there
You disappeared
Look out across these mountain ranges
I see you sparking out the dark
(I see you sparking out the dark)
You disappeared
My hidden heart
My hidden heart

(I see you sparking out the dark)
(I see you sparking out the dark)

And the world keeps spinning gracefully
She's looking over her shoulder
All the blue yonder
Long goodbyes are not a fixture
She's looking over her shoulder
In the blue yonder

All my life in the shadow of a giant, giant, giant, giant
I'm a drifter, I'm a drifter, day in, day out, day in, day out
All my life in the shadow of a giant, giant, giant, giant
I'm a drifter, I'm a drifter, day in, day out, day in, day out

My whole life's in lockups and hard drives
Check-ins and goodbyes, diaries, dates and easy jet flights
Nature is my guide, she's full of surprises
I am most happy in these oceanic spaces

Bait my line
Diamonds meteorites
I am up every night
Burn down the house and move on
Bait my line
Soundbites and starlight
I am up every night
Burn down the house and move on

All my life in the shadow of a giant, giant, giant
I'm a drifter, I'm a drifter, day in, day out, day in, day out
All my life in the shadow of a giant, giant, giant
I'm a drifter, I'm a drifter, day in, day out, day in, day out

Hey, yeah, yeah, yeah, yeah, yeah
Uh-uh-uh-uh-uh
Hey, yeah, yeah, yeah, yeah, yeah
Hey, yeah, yeah, yeah, yeah, yeah
Uh-uh-uh-uh-uh
Uh-uh-uh-uh
Wow!
Wow!
Wow!
Wow!

Where did this start
Where did this start
My hidden heart
Where did this start
