

# Bet You're From A Small Town

Jameson Rodgers

If you earned every dollar that senior summer hauling hay  
If you don't skip church 'cause your scared of what people might say  
If you can see every star in the sky when the sun goes down  
I bet you're from a small town  
I bet you're from a small town

If a fire in the field was the first place you ever got drunk  
If your first time was on a bench seat in a pickup truck  
If the only thing you had to do on a Friday night was drive around  
I bet you're from a small town

If you got a buddy that's always got your back  
If you got a momma that prays for you no matter where you're at  
If you don't give a damn how fast the world spins around  
I bet ya, I bet ya, I bet you're from a small town  
I bet you're from a small town

If you know every hill and holler in between them county lines  
If you ever put a .22 hole or two in a deer crossing sign  
If you know a guy who knows a guy who makes the best shine around  
I bet you're from a small town

If you work hard for a piece of land just like your daddy did  
If there's a girl that you loved since you were a kid  
If where you were born and raised is the only place you'd ever settle down  
I bet ya, I bet ya, I bet you're from a small town  
I bet you're from a small town

If that muddy river is where you got baptized  
If you pull over on the shoulder when you see that line of headlights  
If everyone you've ever loved and lost is buried in that same cold ground  
I bet you're from a small town

If you got a buddy that's always got your back  
If you got a momma that prays for you no matter where you're at  
If you don't give a damn how fast the world spins around  
I bet ya, I bet ya, I bet you're from a small town

Yeah, if you know where you're going when you go and they lay you down  
I bet ya, I bet ya, I bet you're from a small town  
I bet you're from a small town

I bet ya, I bet ya, I bet you're from a small town  
(I bet ya, I bet ya)  
I bet you're from a small town  
(I bet ya, I bet ya)  
I bet you're from a small town  
(I bet ya, I bet ya)  
(I bet ya, I bet ya)  
Yeah, I bet you're from a small town  
(I bet ya, I bet ya)

I bet you're from a small town
