

Cold Beer Calling My Name

Jameson Rodgers

It's been one of them clock it in, knock it out, clock it out
'Bout to kick off the weekend
There's a stretch of blacktop, I ain't never seen a cop
So I'm pushing it a little past ten
Pulled a little money from the bank, put it in the tank
Shined up the windshield glass
Don't know where the night might lead, ain't nowhere to be
But I gotta get there fast

There's a cold beer calling my name
Feel a good time coming, got a new song humming
And the sunset's doing its thing
Feeling lucky as a seven, yeah sometimes Heaven
Is a pocket full of payday green
And my baby putting sugar on me
Yeah, it's sure been a pretty damn good day
And there's a cold beer calling my name, yeah

If there's a hillbilly rock show, I'll be in the front row
Holding up a red Bic flame
Or a wraparound porch with a citronella torch
Yeah, you know I'm down either way
There's a chance that tonight might be a night that we
Ain't ever gonna forget
Yeah, everybody's turning it up, I got a little buzz
And I ain't even had one yet

There's a cold beer calling my name
Feel a good time coming, got a new song humming
And the sunset's doing its thing
Feeling lucky as a seven, yeah sometimes Heaven
Is a pocket full of payday green
And my baby putting sugar on me
Yeah, it's sure been a pretty damn good day
And there's a cold beer calling my name
It's calling my name
Yeah, there's a cold beer calling my name
Oh yeah it is

Yeah, I'm gonna put a little chill in my weekend
Stay up all night, maybe sleep in
I'm gonna sip a little something
And I ain't gotta worry 'bout nothing 'cause
There's a cold beer calling my name
Cold beer calling my name

There's a cold beer calling my name
Feel a good time coming, got a new song humming
And the sunset's doing its thing
Feeling lucky as a seven, yeah sometimes Heaven
Is a pocket full of payday green
And my baby putting sugar on me
Yeah, it's sure been a pretty damn good day
And there's a cold beer calling my name
It's calling my name

Cold beer calling my name

It's calling my name

Yeah, I'm gonna put a little chill in my weekend
