

Goin' Crazy

Jameson Rodgers

I'm goin' crazy
'Cause I ain't slept in seven days
Can't put her picture away
Spend all night starin' at my phone
I'm goin' crazy
'Cause I ain't put no whiskey to my lips
I'm still hung up on her kiss
Got me strung out all day long
All my boys think something's wrong, but

Hey y'all it ain't what you think
Yeah, I'm goin' out of my mind
But my heart ain't feelin' no pain
It's beatin' better than it has in a long time
Rock bottom ain't where I'm at
Someone's been rockin' my world
I'm callin' her baby, I'm goin' crazy
'Cause I'm crazy 'bout a girl

Yeah, I'm off the deep end
'Cause she's been ridin' in my truck
Pullin' off a fallin'-in-love two lane
Yeah she's drivin' me insane but

Hey y'all it ain't what you think
Yeah, I'm goin' out of my mind
But my heart ain't feelin' no pain
It's beatin' better than it has in a long time
Rock bottom ain't where I'm at
Someone's been rockin' my world
I'm callin' her baby, I'm goin' crazy
'Cause I'm crazy 'bout a girl

Yeah, lock me up and throw away the key
This old boy's got a loose screw
I'm fallin' hard and the craziest part
Is she's crazy 'bout me, too
She's crazy 'bout me, too

Hey y'all it ain't what you think
Yeah, I'm goin' out of my mind
My heart ain't feelin' no pain
It's even lovin' love songs for the first time
Rock bottom ain't where I'm at
Someone's been rockin' my world
And I'm callin' her baby, I'm goin' crazy
'Cause I'm crazy 'bout a girl
Oh, I'm crazy 'bout you girl
Yeah, I'm crazy 'bout you girl
