

Dead Wrong

Jamestown Revival

I don't owe you an apology
You may think that I'm wrong
And you may think there is a part of me
A part of me a little headstrong

I got some news for you
I got something to tell you
I got something to say
I should've said all along

You're dead wrong
And there ain't no gettin' through to you
You're dead wrong
I know you've been around
You're dead wrong
Wrong, wrong for what you put me through

I don't owe you an apology
But we can't seem to move on
I don't know what else you want from me
Always singing your sad song

I got some news for you
I got something to tell you
I got something to say
I should've said all along

You're dead wrong
And there ain't no gettin' through to you
You're dead wrong
I know you've been around
You're dead wrong
Wrong, wrong for what you put me through

You're dead wrong
And there ain't no gettin' through to you
You're dead wrong
I know you've been around
You're dead wrong
Wrong, wrong for what you put me through
