

# One Step Forward

Jamestown Revival

I can't complain, but I still do  
I'm always looking, but I'm missing the view  
In my head it's better and it's greener too  
I'm chasing green until it's turned me blue  
Watch while I go down this self imposed long, long road

'Cause it's  
One step forward  
Two steps back  
Uphill battle  
Slipping right through the cracks  
Late arrival  
Missed your train  
Sitting on your suitcase  
In the pouring rain

I need a dollar, but I got a dime  
I need a minute, but I'm out of time

I ain't working, but it ain't all bad  
Try to be thankful for the time that I've had  
Spent with my boys and their momma too  
Try to enjoy it but it's hard to do  
Watch while I go down this self imposed long, long road

'Cause it's  
One step forward  
Two steps back  
Uphill battle  
Slipping right through the cracks  
Late arrival  
Missed your train  
Sitting on your suitcase  
In the pouring rain

I need a dollar but I got a dime  
I need a minute but I'm out of time  
Watch while I go down this self imposed long, long road

I can't seem to keep my head on straight  
The door is closing and it's getting late  
This little pill is a hard one to take  
And I've certainly been taking my time

'Cause it's  
One step forward  
Two steps back  
Uphill battle  
Slipping right through the cracks  
Late arrival  
Missed your train  
Sitting on your suitcase  
In the pouring rain

I need a dollar, but I got a dime  
I need a minute, but I'm out of time  
Good as it is, I can't help but feel I'm falling behind
