

Forever In Your Debt

Jamestown Story

You, and everything you do
You've given more than I have to give back to you
I say you, and all the things you do
you put me first even if it won't work for you

You're my heartbeat, you are my eyes when I can't see
I hope you know the truth, I'm nothing without you

When I'm ever feeling low
you repair my heart finding light in my darkened soul
I am forever in your debt wager my heart and all I have, and all I am
So make your demands and I'll give all I can to you

You're my heartbeat, you are my eyes when I can't see

I hope you know the truth, I'm nothing without you
and everything you do
I'll spend the rest of my life trying to repay you

You're my heartbeat, you are my eyes when I can't see
I hope you know the truth, I'm nothing without you
and everything you do
So ask you'll receive, I'll give what you gave to me

You gave me hope, when all my hope was gone
You gave me strength, when all my strength was gone
You picked me up, when I couldn't go on
You took my side, whenever I was wrong
