

I Hope You're Proud

Jamestown Story

It hurts so much, to see you with him, I can't begin, and now I
long, just for a kiss, it's you I miss...

Why, can't you try, to see, that I, am you, and you are me...

But you've moved on and now I'm gone, goodbye

Someday I will too I don't need you and I, cause this is life..

.

You raped my mind and tore my heart, I hope your proud, I'm now
unblind, a fresh new start, what to do now...

Make the pain go away, for me...
