

# I'm Sorry

## Jamestown Story

I'm sorry, those were the two words that she told me, the lack  
of excuse  
Is unfolding the truth to the what all went wrong  
And I've got to, try and be strong when I see her walking along  
with him proudly  
I still can't believe that shes gone

Lets take it back to when we were, too in love to be unsure, th  
at  
Forever's meant to be for us  
A place for you and me,  
Now I'm stuck with memories, that revive you're pure deceit, I  
just wish  
I could forget you're smile

I'm sorry those were the two words that she told me, her lack o  
f excuse  
Is still holding, all the air in my lungs

And I'm not quite ready to say that I feel like ill be okay so  
just give  
Some time for me to move on  
Ill never understand so

Lets take it back to when we were, too in love to be unsure, th  
at  
Forever's meant to be, a place for you and me,  
Now I'm stuck with memories, that revive you're pure deceit, I  
just wish  
I could forget you're smile

I need a minute, another minute, I need some time, more time th  
an I can  
Get  
There goes that minute, and another minute, but time itself won  
't help  
Me to forget  
I'm not sorry anymore
