

## Show Me Tomorrow

### Jamestown Story

I've been holding on to nothing  
staring at these walls waiting for something  
I've tried my best but I can't ignore  
the best i've got is nothing more than waiting for something

Sink or swim, I just breathe in  
As I breathe in I think life's too far ahead  
When did I fall behind?

Now I quit holding on to something  
staring at these walls waiting for nothing

Damned if I do and if I don't  
cause if I will; the world won't  
so I am waiting for nothing

Show me tomorrow  
tomorrow feels a million miles away  
Show me tomorrow  
I just want to know I make it through today  
I just wanna know that I'll get through today

When did I fall behind? How did I fall behind?
