

All At Sea

Jamie Cullum

D G
I'm all at sea.
D G
Where no one can bother me
C F
Forgot my roots
C F
If only for a day
D G
Just me and my thoughts
D G Emi
Sailing far away

D Ami
Like a warm drink it seeps into my soul
G Emi
Please just leave me right here on my own
D Ami
Later on you could spend some time with me
G Emi G
If you want to, all at sea

D G
I'm all at sea
D G
Where no one can bother me
C F
I sleep by myself
C F
I drink on my own
D G
I don't speak to nobody
D G Emi
I gave away my phone

D Ami
Like a warm drink it seeps into my soul
G Emi
Please just leave me right here on my own
D Ami
Later on you could spend some time with me
G Emi G
If you want to, all at sea

D Emi C
Now I need you more than ever
D Emi C GC Eb
I need you more than ever now
G C
If you don't need it every day
G Ami Eb
But sometimes don't you just crave
G C Eb
To disappear within your mind
G C Eb
You never know what you might find
G C Eb

So come and spend some time with me
G C Eb F
And we will spend it all at sea

D Ami
Like a warm drink it seeps into my soul

G Emi
Please just leave me right here on my own

D Ami
Later on you could spend some time with me

G Emi G
If you want to, all at sea
