

# I Can't Get Started

Jamie Cullum

I'm a glum one, it's explainable  
I've met someone unattainable  
Life's a bore  
The world is my oyster no more

All the papers where I lead the news  
With my capers  
Now will spread the news  
Superman turned out to be a flash in the pan

I've flown around the world in a plane  
I've settled revolutions in Spain  
The North Pole I have charted  
But I can't get started with you

Around the golf course I'm under par  
And all the movies want me to star  
I've built a house and show place  
But I can't get no place with you

You're so supreme, lyrics that I write of you  
Scheme, just for a sight of you  
And I dream both day and night of you  
And what good does it do

In 1929, I sold short  
In London, I'm presented at court  
But you've got me down hearted  
'Cause I can't get started with you

You're so supreme, lyrics that I write of you  
Scheme, just for a sight of you  
And I dream both day and night of you  
And what good does it do

In 1929, I sold short  
In London, I'm presented at court  
But you've got me down hearted  
'Cause I can't get started with you, with you
