I Can't Get Started

Jamie Cullum

I'm a glum one, it's explainable I've met someone unattainable Life's a bore The world is my oyster no more

All the papers where I lead the news With my capers Now will spread the news Superman turned out to be a flash in the pan

I've flown around the world in a plane I've settled revolutions in Spain
The North Pole I have charted
But I cant get started with you

Around the golf course I'm under par And all the movies want me to star I've built a house and show place But I cant get no place with you

You're so supreme, lyrics that I write of you Scheme, just for a sight of you And I dream both day and night of you And what good does it do

In 1929, I sold short
In London, I'm presented at court
But you've got me down hearted
'Cause I cant get started with you

You're so supreme, lyrics that I write of you Scheme, just for a sight of you And I dream both day and night of you And what good does it do

In 1929, I sold short
In London, I'm presented at court
But you've got me down hearted
'Cause I cant get started with you, with you
