I looked at you and suddenly Something in your eyes I see Soon begins bewitching me

I looked at you and suddenly Something in your eyes I see Soon begins bewitching me It's that old devil moon That you stole from the sky It's that old devil moon in your eyes

You and your glance makes this romance too hot to handle
Stars in the night blazin' their light can't hold a candle
To your razzle dazzle
You've got me flyin' high and wide
On a magic carpet ride
Full of butterflies inside
I just wanna cry
Wanna croon
Wanna laugh like a loon
It's that old devil moon in your eyes

Just when I think I'm free as a dove Old devil moon deep in your eyes Blinds me with love

I looked at you and suddenly Something in your eyes I see Soon begins bewitching me
