

## Sack O'Woe

Jamie Cullum

Always screaming 'cause I'm suffering so  
Life's done never such a terrible blow  
The bag I'm in is just a sack o'woe

Misery, company and I'm feeling low  
Trouble follows me wherever I go  
The bag I'm in is just a sack o'woe

Trouble, one thing I understands  
Seems to be a part of me  
Misery and me go hand in hand  
Never ever let me be

Sure as I'm born, one thing I know  
The bag I'm in is just a sack o'woe

Always screaming 'cause I'm suffering so  
Life's done never such a terrible blow  
The bag I'm in is just a sack o'woe

Misery, company and I'm feeling low  
Trouble follows me wherever I go  
The bag I'm in is just a sack o'woe

Trouble, one thing I understands  
Seems to be a part of me  
Misery and me go hand in hand  
Never ever let me be

Sure as I'm born, one thing I know  
The bag I'm in is just a sack o'woe
