

## The Seer's Tower

Jamie Cullum

In the tower above the earth,  
There is a view that reaches far  
Where we see the universe,  
I see the fire, I see the end

Seven miles above the earth,  
There is Emmanuel of mothers  
With his sword, with his robe,  
He comes dividing man from brothers

In the tower above the earth, we built it for Emmanuel  
In the powers of the earth, we wait until it rips and rips  
In the tower above the earth, we built it for Emmanuel  
Oh my mother, she betrayed us, but my father loved and bathed u  
s

Still I go to the deepest grave,  
Where I go to sleep alone
