

What a Difference a Day Made

Jamie Cullum

What a difference a day made, 24 little hours
Bought the sun and the flowers, where there used to be rain
My yesterday was blue dear
Today I'm a part of you dear
My lonely nights are through dear
Since you said you were mine

And, what a difference a day made
Theres a rainbow before me
Skies above can be stormy
Since that moment of bliss, that thrilling kiss
It's heaven when you find romance on your menu
What a difference a day made
And the difference is you (is you)

My yesterday was blue dear
Still I'm a part of you dear
My lonely nights are through dear
Since you said you were mine

Oh what a difference a day makes
There's a rainbow before me
Skies above can be stormy
Since that moment of bliss, that thrilling kiss
It's heaven when you find romance on your menu
What a difference a day made
And the difference is you (is you, is you)
