Sexy sexy

Who says you gotta look like a model in a magazine
Baby you are fine the way you are to me
A pretty face... go with the right attitude
Something about the way you look is killing me
Why you wanna mess up your natural beauty baby
Leave it up to me still look cute baby
Girl is something you do to me
And you just do it natural

Chorus

You don't have to be a diva
Just as long as you are sexy
Sexy
Sexy
Sexy

Shorty your body is so tight girl you got it going on
Leave it alone I don't see nothing wrong
Don't need to sweat to make it off baby
It makes no sense
You need to build your confidence
You know that america never ever pay the bills
I want to let you know that shit ain't real
Girl is something you do to me
And you just do it natural

Chorus

You don't have to be a diva
Just as long as you are sexy
Sexy
Sexy
Sexy

It's tru when they say the beauty is in the eyes of the beholder
No one can take away your sexyness god gave it to you
You make me feel so proud to be one
I am glad that I chose you
Girl is something you do to me
And you just do it natural

Chorus

You don't have to be a diva
Just as long as you are sexy
Sexy
Sexy
Sexy

Don't try to look like beyonce
But what's the matter with you
I say all you gotta to do all you need to do is be sexy
You are in the mirror acting like jlo
You are just as far baby you should know
