

# Something Was Missing

Jamie Foxx

I made me a fortune  
That fortune may tend  
But headlined and profiled again and again  
But something was missing  
I never quite knew, that something was someone  
But who?

My speeches are greeted with thunderous acclaim  
At two universities  
Bearing my name  
Yet something was missing  
It's time I got through  
That something was someone  
But who?

Who could that someone be  
How could she make it known, oh  
Who would need me for me  
Need me for me alone

The world was my oyster  
But where was my pearl  
Who dreamed I could find it in one little girl  
Yes something was missing  
But dreams can come true  
That something is no one, but you
