

Summertime

Jamie Foxx

Oooooooooohhh..ooooohhh...

Early in the mornin', around this time of year

I like to sit around the pool and get my chill on, yes I do

Well sippin' on a glass 'o wine, or my favorite kind of beer

When I'm feelin' oh so right, you know that you can't go wrong
a cuz is gonna be summer(summer)...

My summertime is here yes it is hmmm...

(chorus)

And it's gonna be you and me (baby you and me oohhh)

When was the lasttime (Time) that you made love on the beach ba
by,

baby (oohhh)

Girl won't you sit down, and let me feel over and round you

let me rub you down, my love, and spread the lotions all around
you

like the smooth theme that glows ya hair, I don't care if peopl
e stare

All I know is that I'm in love, and wanna spend the summer with
you

It's gonna be...(summer)

Chorus

When was the last time (time) that you made love on the beach b
aby,

baby, baaaaaaabbbby,

the rain is gone, I want you right here, I do, yes I do.

Come on baby

I need to know right now, can I spend a little time with you?

Lest the sun don't shine you through the summer. (My baby) Good
Lord,

Chorus
