Superman

Jamie Foxx

I never seen a girl so sweet.
I swear I could love you for the rest of my days.
Now everytime I see your smile.
Its transferred back to my face.
I never met a girl that changed my mind.
I was gone with the wind, head in the sky.
I never met a girl like you.
You don't know what you do.

You made me superman.
When you laid in my arms.
And said this is where you belong.
You made me superman.
You coulda had the world.
But you chose to be my girl.

I feel like superman.
Like superman.
Like superman.
Like like like.
I feel like superman.
Like superman.
Like superman.
Like like like. (yea)
I feel like superman. (yea)

Hey oh.

I've never been in such a place
Where I'm allowed just to be myself.
I know you go out of your way
And thats why I give you my last breath.
Oh I've faced the world.
Challenged the sea.
I love all of you.
But you love all of me.
I never met a girl like you.
You don't know what to do.

You made me superman.
When you laid in my arms.
And said this is where you belong.
You made me superman.
You coulda had the world.
But you chose to be my girl.

I feel like superman.
Like superman.
Like superman.
Like like like.
I feel like superman.
Like superman.
Like superman.
Like like like. (yea)
I feel like superman. (yea)

Hey Oh.

Flying around the world with this love.
And I know in my heart
That theres nothing above.
So I'm flying around the world with our love.
And I know in my heart
That theres nothing above.

You made me superman.
When you laid in my arms.
And said this is where you belong.
You made me superman.
You coulda had the world
But you chose to be my girl.

I feel like superman.
Like superman.
Like superman.
Like like like.
I feel like superman.
Like superman.
Like superman.
Like like like.
