

# Be Okay

Jamie Grace

Even though, the window pane  
Is marked with a thousand, specks of rain  
And your half-closed blinds seem to hold the only light  
There's still enough room to see that you'll be

Okay  
You're gonna be okay  
Maybe not magic  
Not quite fantastic  
But you're gonna be okay  
You're gonna be okay  
In a matter of time, it'll be alright  
You're gonna be okay

Try to remember, everything you learned  
And all you've overcome, since yesterday  
Though the half-closed blinds seem to hold the only light  
There's still enough room for you to see

You're gonna be okay  
You're gonna be okay  
Maybe not magic  
Not quite fantastic  
But you're gonna be okay  
You're gonna be okay  
In a matter of time, it'll be alright  
You're gonna be okay

I'm seeing above the waves now  
I'm finding hope in all of this  
I'm above the waves now  
And I believe that I'll be...

Okay  
Just a little bit of time and I'll be  
Wait a little while and I'll be  
Okay (You're gonna be okay)  
You're gonna be okay (You're gonna be okay)  
Maybe not magic  
Not quite fantastic  
But you're gonna be okay  
You're gonna be okay  
In a matter of time, it'll be alright  
You're gonna be okay

Just a little bit of time and I'll be  
Wait a little while and I'll be  
Just a little bit of time and I'll be  
Wait a little while and I'll be
