

# Bella

Jamie Grace

The light in my eyes hasn't gone nowhere  
Shining so bright everybody can tell  
Say oh... everybody say oh...

'Cause when I think of you yeah my heart goes wow  
The best of the best and I get to call you mine  
oh... say oh...

I could go to Mexico, France or Panama  
But nowhere in the world can make me feel like ya

When you call me your bella  
I know I'm your mija  
Love being your daughter  
Always your feelia  
Thanks for being my papi  
Every hour I need thee  
'Cause no other papa  
Could love me so dearly

I'm your bella  
I'm your mija  
I'm your binti  
I'm your zanmi  
Your princessa  
Pitit fi  
You're my daddy and I'm your girl

There will never be a boy as good as you  
No matter how rich, no matter how cute  
Say oh, no... oh, no...  
But I know someday some boy gonna try  
And if he love you than he gonna treat me right  
Ooh...

I could be in the Philippines, Haiti or Kenya  
But nowhere in the world can make me feel like ya

When you call me your bella  
I know I'm your mija  
Love being your daughter  
Always your feelia  
Thanks for being my papi  
Every hour I need thee  
'Cause no other papa  
Could love me so dearly

Gracias mi papi  
No one can love me like you love me  
Escribi esta canción  
Just to tell you what I mean  
Cuando toro kai  
I know I'll be alright  
Porque es mi premi  
I'm excited being your daughter  
No meri eyes  
No never, no never

Me amaras  
Forever, forever  
I could go anywhere in the world

When you call me your bella  
I know I'm your mijia  
I love being your daughter  
Always your feelia  
(nobody gonna love you like)  
Thanks for being my papi  
Every hour I need thee  
(nobody gonna love you like)  
'Cause no other papa  
Could love me so dearly  
('cause nobody gonna love you like)

I'm your bella  
I'm your mijia  
I'm your binti  
I'm your zanmi  
Your princessa  
Pitit fi  
You're my daddy and I'm your girl
