

# Hold Tight

Jamie Grace

I hear the birds singing in the trees  
But they do not sow nor do they reap  
But every single one of them You feed  
How much more do You care for me?

I'm gonna hold tight no matter what tomorrow brings  
I'm gonna know that my Father's watching over me  
Every step, every fear, every night God You are near  
I'm choosing peace that surpasses understanding  
I'm choosing truth over lies of the enemy  
You are my God, You are my strength  
You hold tomorrow and You hold my today

You tell the ocean when to start and end  
Flowing every gently in Your hand  
So won't You do the same in me  
I'll take Your hand and You take the lead

I'm gonna hold tight no matter what tomorrow brings  
I'm gonna know that my Fathers watching over me  
Every step, every fear, every night God You are near  
I'm choosing peace that surpasses understanding  
I'm choosing truth over lies of the enemy  
You are my God, You are my strength  
You hold tomorrow and You hold my today

So I look to the mountain  
Tell it be removed  
Then I look to the valley  
I know I'm not alone  
Lift my eyes to hills  
Where my help comes from  
My God is on my side

So I look to the mountain  
Tell it be removed  
Then I look to the valley  
I know I'm not alone  
Lift my eyes to hills  
Where my help comes from  
My God is on my side

So I look to the mountain  
Tell it be removed  
Then I look to the valley  
I know I'm not alone  
Lift my eyes to hills  
Where my help comes from  
My God is on my side

I'm gonna hold tight no matter what tomorrow brings  
I'm gonna know that my Father's watching over me  
Every step, every fear, every night God You are near  
I'm choosing peace that surpasses understanding  
I'm choosing truth over lies of the enemy  
You are my God, You are my strength  
You hold tomorrow and You hold my today

I'm gonna hold  
Yeah yeah  
I'm holding on I'm holding on
