

Ready To Fly (Prelude)

Jamie Grace

There's a feather in my hair and a wing around my neck I'm ready to fly away

There's a feather in my hair and a wing around my neck I'm ready to fly away

And I've got the wishes from all of my friends.

Hugs and kisses from my mom and my dad.

There's a feather in my hair and a wing around my neck I'm ready to fly away
