

Be Mine

Jamie McDell

I'm tired of waiting on you
Waiting on your love
Come fight a little for me
Come chase me if I run

Ooh, ooh, ooh, you better take your mark
Ooh, ooh, ooh, come and get my heart

And be mine, be mine, be mine
And I'll be yours
And be mine, be mine, be mine
And I'll be yours

I'm not a big distraction
From what you used to have
Yes, I'm the main attraction
And you should honour that

Ooh, ooh, ooh, you better look the best
Ooh, ooh, ooh, cause I won't wait for less

And be mine, be mine, be mine
And I'll be yours
And be mine, be mine, be mine
And I'll be yours

And be mine, be mine, be mine
And I'll be yours
And be mine, be mine, be mine
And I'll be yours
