

# Last Year

Jamie Miller

There's broken and then there's me  
Forgot what it felt like to not be in pieces  
Or how to be happy  
How do you smile when you don't have a reason?

It's hard  
When you're in it  
It's like you lost all the light  
It's so dark  
And you're thinking  
There's no end in sight

This time last year  
I thought I'd die if you didn't come back  
Wasting my tears  
Swearing that I'd spend forever like that  
But I let time do what it does  
And I picked myself up  
Thought I'd always miss what we had  
But I don't wish you were here  
Like I did this time last year

There's some things that can't be fixed  
So I cut the ties and got a new apartment  
One that you've never been in  
One that you won't get to break my heart in

It's hard  
When you're in it  
It's like you lost all the light  
It's so dark  
And you're thinking  
There's no end in sight

'Cause this time last year  
I thought I'd die if you didn't come back  
Wasting my tears  
Swearing that I'd spend forever like that  
But I let time do what it does  
And I picked myself up  
Thought I'd always miss what we had  
But I don't wish you were here  
Like I did this time last year

This time last year  
I thought I'd die if you didn't come back  
Wasting my tears  
Swearing that I'd spend forever like that  
But I let time do what it does  
And I picked myself up  
Thought I'd always miss what we had  
But I don't wish you were here  
Like I did this time last year
