

## Maybe Next Time

Jamie Miller

Mom says trust your gut but I think mine's broken  
'Cause I could swear that we were meant to be  
Standing on your doorstep, now I'm frozen  
How are these the words you're telling me?

Now I'm all alone, I know it too well  
And I know it won't help, but I'm telling myself

Maybe next time I'll be enough  
You'll give me everything instead of givin' up  
Maybe next time won't be a waste  
You'll be the one and not the one that got away  
So, I count down the days till I won't have to say

Maybe next time  
Ooh-ooh, ooh-ooh  
Maybe next time  
Ooh-ooh, ooh-ooh

When Dad left, it taught me about endings  
One would think by now I might've learned  
But then, that night, you boarded that flight  
Ran as fast as I could with a carry-on bag  
Thought I was in a movie, but you never came back  
You never looked back

Maybe next time I'll be enough  
You'll give me everything instead of givin' up  
Maybe next time won't be a waste  
You'll be the one and not the one that got away  
So, I count down the days till I won't have to say

Maybe next time  
Ooh-ooh, ooh-ooh  
Maybe next time  
Ooh-ooh, ooh-ooh

Maybe next time I'll be enough  
You'll give me everything instead of givin' up  
And maybe next time won't be a waste  
You'll be the one and not the one that got away  
So, I'll count down the days till I won't have to say  
Oh, I'm counting the days till I won't have to say  
Maybe next time
