

# Devil In Me

Jamie N Commons

(Aahahahahahahahahahaaahah)  
(Aahahahahahaaaa)

I gave my life  
Ain't takin' yours  
I shouldn't let you go, hoooho  
I drank from the cup  
But it wasn't enough  
To wash the blood from my hands

I find it hard to see the light  
In the kingdom I behold  
(Aahahahahahahahahahaaah)  
I see him in the morning  
(Aahahahahahahahahahaaah)  
I see him in the night  
(Aahahahahahahahahahaaah)  
I see him in the morning  
(Aahahahahahaaaa)  
I see the devil in my life

In my darkest days  
I still see her face  
Burning patterns in my eyes  
It broke my back  
If i had packed  
I left it all behind

I find it hard to see the light  
In the kingdom I behold  
(Aahahahahahahahahahaaah)  
I see him in the morning  
(Aahahahahahahahahahaaah)  
I see him in the night  
(Aahahahahahahahahahaaah)  
I see him in the mourning  
(Aahahahahahaaaa)  
I see a devil in my life

All my life  
All my dreams  
All I had  
it's lost, it seems  
(All my days, all my)  
All my life  
(All my life, all my)  
All my days  
(All my days, all my)  
Keeps on turning  
(All my life)  
There's a devil in me

(All my days, all my)  
All my life  
(All my life, all my)  
All my days  
(All my days, on my)

Keeps on turning  
(All my life)  
There's a devil in me

'Find it hard to see the light  
In the kingdom I behold  
(Aahahahahahahahahahaaah)  
I see him in the morning  
(Aahahahahahahahahahaaah)  
I see him in the night  
(Aahahahahahahahahahaaah)  
I see him in the morning  
(Aahahahahahaaa)  
I see a devil in my life

(All my days, all my)  
All my life  
(All my life, all my)  
All my days  
(All my days, all my)  
Keeps on turning  
(All my life)  
There's a devil in me

(All my days, all my)  
All my life  
(All my life, all my)  
All my days  
(All my days, on my)  
Keeps on turning  
(All my life)  
There's a devil in me

'Find it hard to see the light  
In the kingdom I behold
