

# God Don't Make Mistakes

Jamie O'Neal

It was one of those days when she couldn't find a single ray of  
sunshine  
There wasn't even a cloud up in the sky  
After thirteen years at the factory they sorry mam but we're do  
wnsizin  
That's the way life is, good luck with the rest of it  
She looked me in the eye and said this ain't the first time I've  
e taken the fall,  
but let me tell you girl what's gotten me through is keepin fai  
th through it all

Cause there'll be  
Dead ends and road blocks, Tough times and hard knocks  
Seems like you're always wonderin why you're at the right place  
at the wrong time  
Wheels movin but you feel stuck, like your life's spinnin in a  
big mud  
When you're out there runnin around on a wild goose chase,  
There's a reason to keep believin,  
God don't make mistakes

Everybody said you gotta give it up  
You can't keep that child, It's just too tough at seventeen, Yo  
u're just a baby  
Well she cried and she prayed, made up her mind  
Said this beautiful life that's growin inside needs a chance to  
have a hand in God's plan  
Everyone told her they'd never by, well he just turned sixteen  
Made it straight to the top of his class, the captain of the fo  
otball team

Yeah, there'll be  
Dead ends and road blocks, Tough times and hard knocks  
Seems like you're always wonderin why you're at the right place  
at the wrong time  
Wheels movin but you feel stuck, like your life's spinnin in a  
big mud  
When you're out there runnin around on a wild goose chase,  
There's a reason to keep believin,  
God don't make mistakes

Oh, there'll be  
Dead ends and road blocks, Tough times and hard knocks  
Seems like you're always wonderin why you're at the right place  
at the wrong time  
Wheels movin but you feel stuck, like your life's spinnin in a  
big mud  
When you're out there runnin around on a wild goose chase,

There's a reason to keep believin,  
Keep believin!  
God don't make mistakes!

Yeah, yeah  
Oh, God don't make mistakes!
